

YOGA⁹²⁰

BOLDLY INDIVIDUAL

Meet the Lenovo™ Yoga™ 920. Offering world-class performance, standout style, immersive entertainment and a host of brand new features, it's in a league of its own. Sleeker than ever and packed with speed and power to streamline your day: long-range voice-activated support, a nearly edgeless 4K display, an optional digital pen offering the highest accuracy on the market, and more. Let us sweat the small stuff.

WHY YOU SHOULD BUY THE LENOVO YOGA 920

Sleek, chic and versatile

By drastically simplifying the form and reducing visual complexity, we've designed the Yoga 920 to appear even thinner than it already is. Featuring a 360° hinge and finished in CNC aluminum built to withstand wear and tear, the Yoga 920 is as tough as it is elegant. Available in Platinum, Copper and Bronze.

Stunning 4K clarity

Your entertainment will pop on the Yoga 920's wide-angle 4K display. By shifting intricate components, we were able to edge the screen with razor-thin 5 mm vertical bezels that will make the absolute most of your visuals. Also available in FHD.

Lenovo™

Do more with Lenovo Active Pen 2

Featuring pin-point accuracy and palm-rejection technology, the Lenovo Active Pen 2 emulates the easy comfort of a pen-on-paper writing experience, with twice the accuracy of competitors' pens. And thanks to Windows Ink, you'll discover all the ways you can turn thoughts into action: Draw on a map and instantly receive turn-by-turn driving directions, and more.

Always working for you

Meet Windows Cortana, your own voice-activated digital assistant who is prepared to answer your questions, open necessary apps, and more. Better yet, the Yoga 920 responds to spoken questions and instructions in sleep mode—from up to 4 meters away.

¹ All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2014/> for additional details.

² Optional.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

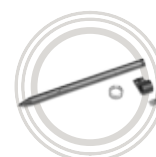

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
